BLACKX / PDF PREVIEW FIXTURE

Page 1 of 3

Portrait page

Continuous scrolling

Scroll down to see page 2 directly below this page.

The header should show a total of 3 pages at the right.

This fixture is read only and requires no network access.

Page 2 of 3

Landscape page

Mixed page sizes

This page is landscape; pages 1 and 3 are portrait.

Each page should fit the available preview width.

Check that pages stay in order and do not overlap.

Page 3 of 3

Portrait page

Final page

You have reached the final page of the sample.

Scroll back up to verify that earlier pages remain visible.

There should be no Previous or Next controls inside the content.
